We want our patients to have the best possible **care**.
We want our surgeons to have the best possible **equipment**.

With this state of the art piece of surgical equipment our patients undergoing surgery will know we are doing our very best for them.

“Support The Prince of Wales Hospital Foundation Winter Appeal.

All too often, we find at our doorstep, patients un-expectantly about to embark on a journey through illness or a fight for life. Our staff are here just for these times.

On behalf of the Staff, Patients and families at POW Hospital thank you to everyone who donated to our 2006 appeal. It is through your support and generosity that POW Hospital can provide the best possible health care to all those in need, every day of the year.”
